

Technical Data Sheet

Red Rubber Grease

Summary of Benefits

- Compatible with natural and synthetic rubber compounds
- Excellent lubricity properties
- Protects against rust and corrosion
- Environmentally friendly ingredients

Description

Viva Energy Red Rubber grease is a premium quality grease with outstanding performance in a wide range of applications to provide lubrication where contact with rubber compounds is likely or required.

Viva Energy Red Rubber Grease is recommended as a general purpose rubber compatible grease for automotive and industrial components consisting of natural or synthetic rubber.

Health and Safety

Red Rubber Grease is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Guidance on health and safety is available on the appropriate Material Safety Data Sheet which can be obtained from the Viva Energy website (vivaenergy.com.au) or **Technical Helpdesk**.
